## 18th September 2024

### Headlines this Week

#### **Welcome Back!**

A huge welcome back to our wonderful children and families. We'd also like to extend an extra warm welcome to our new EYFS children and families! We hope you had a magical summer and have thoroughly enjoyed seeing you all this week and last.

#### **After School Clubs**

Club place confirmations will go home this week to start next week - Monday 23rd September. I have made the decision to limit the number of spaces per club this year and have tried to ensure every child has a club. All clubs have a waiting list. If a child drops out or doesn't want to attend anymore, then the waiting list will feed the extra places. I am hugely aware of workload for staff - who all offer their time after school for free - and have families of their own at home, therefore have tried to make Clubs fair for all. A HUGE thank you to **Mrs Hopkins** for sorting all clubs and forms - you are a STAR!

#### **OUTDOOR DAY 1!**

On Tuesday 24th September, we will have our first official Outdoor Day of the year. Last year, these days were hugely successful and something we are very proud of! Old, warm clothes are essential, along with wellies or boots. Despite any wet weather, we will be learning outdoors ALL day. We always advise on extra snacks, a warm coat and extra pair of dry socks. And a carrier bag for anything wet or muddy!

### Quote of the week

"Learning at Pendeen is always really fun and exciting!" Casey, Y6

#### **Update on Mr Wilson –**

Mr. Wilson is currently unwell and will not be back to school this term. Mr. Summerfield will be Acting Head in his absence.

### This week in Kynsa

We have had a fantastic week in Kynsa class. We have been busy exploring our new learning environment and getting to know our classroom routines and expectations. We have had so much fun using all of our new outdoor equipment.

### Down on the Farm

A massive thank you to the Davis family for their endless love and care for all of our animals over the summer holidays. We are very grateful and couldn't do it without you!

Miss Cooper continues to dote on our ducks - we often refer to her as, 'Mother Duck'! You'll catch her in the mornings, feeding all sorts of exotic fruits and vegetables to the ducks - they are very spoilt and we adore them!
